

F.Y.I: FIRST-YEAR INSURED

Are you a freshman entering college without a clue about health insurance? Ever heard of the terms deductible? Co-insurance? Out-of-Pocket?

F.Y.I Presentation

Follow along with us as we present information regarding health insurance.

F.Y.I Small Group Activity

This activity is available in a downloadable PDF document.

WIU Student Health Insurance Benefits

F.Y.I: FIRST YEAR INSURED

F.Y.I: First-Year Insured is an intervention designed to increase literacy in health insurance among first-year college students. This program is a 60-minute program that will be facilitated by Western Illinois Universities Insurance Coordinator, the Health Education Graduate Assistant, and healthcare professional. F.Y.I will have a presentation, small group activities, and large group discussions.
